COMPETENCE PROFILE

I bring in a set of experienced manager skills with the goal to energize the work area. My drive, value based management and strong culture ambassador style develops motivation and united commitment amongst the team towards the business strategy. Strategy, clear goals and commitment are strong motivating factors for me. My energy is used positively to create spirit and drive in my team around me.

Past experiences:

- Experienced senior manager in different countries, cultures and jurisdictions – up to 12 direct reports
- Responsibility of service for worldwide 30.000 wealthy banking clients
- Main sponsor and chairman of large IT project in the banking sector
- Experienced within digitalization of cloudbased SaaS solutions
- People manager with profound understanding of communication, motivation and goal setting
