PROFILE

As seasoned management professional I have a habit of energizing and motivating my surroundings. My spirit, value-based management style and commitment to strategy combined with clear goals are strong motivating factors for me. The setting of the team is essential to reach higher, longer and better.

Core experiences:

- Senior management positions in different countries, cultures and jurisdictions
- P/L Responsibility for businesses with wealthy banking clients located world wide
- Main sponsor and chairman of large IT project in the banking sector
- Experienced within digitalization of processes and business areas
- People manager with profound understanding of communication, motivation and goal setting
